

December Photo of the Month

I am soooo mortified..thank god the doll isn't watching

"Missy and Tweekie"
Well name your cat Tweekie, go get a Chihuahua.. and what do you expect? First prize, (you know who you are) last name omitted to protect the innocent. C'mon Tweeks bite and roll. Duke and Johnny got your back. *Bag of Royal Canin for you!*

"Rorschach" Peachy

I got a present for you...I caught it all by myself... it fought hard and was so hard to catch.

Come get another toy for the ink blot cat.

"Seven" Beall

You're all sissies. This is the real thing. Only a macho cat brings the hunted prize to the *servants* of the house so they can praise and adore him.

A bag of Greenies keep his teeth clean.
