

April Photo of the Month 2011

Bela Larson

My very own warm cave. I can't wait for summer..but please leave the door open and don't dry the laundry today!!

You get a bag of Royal Canin and stay out of the dryer.

Lucy Tyler

ok size 2 box on a size 10 cat but it's a smarter place to sleep than in the dryer. (I have all of my nine lives left.)

*Wake up and smell the catnip!
come and get some*
